OPEN HOUSE

Please join us as we open our new C² Pipeline STEM Innovation and Curiosity Lab.

This Lab is designed to be a resource to our partners and to fit our mission of providing a college and career ready program that incorporates S.T.E.M. in a Project Based Learning environment with a focus on health careers that will also enhance and link to a students educational experience. At the same time this lab will introduce Pre-College youth to Wayne State University, the campus and program opportunities.
