

# WSU C² PIPELINE NEWSLETTER

## C² COMMUNITY

### Student of the Month

#### Tyrvey Schnitker

##### Michigan Collegiate High School

Tyrvey is a junior in high school that strives for excellence in all that he does. He has an interest in photography and plans to pursue a college major that will allow him to explore his talents. Tyrvey acts as a leader within the C2 Pipeline program at Michigan Collegiate and often suggests new and creative ways to explore activities with other students.

### Parent of the Month

#### Mr. Jackson

##### South Lake High School

Mr. Jackson is a dedicated parent that has contributed to his community by going to South Lake to mentor the robotics team and marching band for the last four years! This year, he has taken on the role as the head robotics coach. The South Lake Cavs Bots works in partnership with C2 Pipeline.

### Staff of the Month

#### Tansi Leake

##### Wayne State C2 Pipeline

Tansi has exemplified what it means to lead by example. She has been involved with numerous community service events and has a love for helping people as well as animals. As the Assistant Project Director for C2 Pipeline, Tansi has worked continuously to ensure that countless youth across Michigan are exposed to new opportunities.

## C² Pipeline Highlights

### Program Advocacy

#### Lights On After School:

- WSU C² Pipeline centers will participate in "Lights On After School" on **October, 26, 2017!** This is a nationwide event in which after school programs invite their respective communities and state representatives in order to host engaging activities that bring awareness to the benefit of after school programming!

#### Afterschool Alliance

- On **September 14, 2017**, the House of Representatives voted to approve after school funding. Jodi Grant, executive director of After School Alliance, stated that "It was a resounding, meaningful victory for America's children and families." [AfterSchool Alliance: Article](#)

### WSU C² Pipeline S.T.E.M. Lab

Website: [C²Pipeline.wayne.edu/STEM-Lab](http://C²Pipeline.wayne.edu/STEM-Lab)  
STEM Lab Interest Form: [STEM Innovation](#)  
Location: 5000 Gullen Mall, #133, Detroit, MI 48202

All C² Pipeline centers have the benefit of reserving a date for the STEM lab in order to expose students to emerging career fields, various activities, and scientific experimentation!

#### Digital Badges Coming to C2 Pipeline!

Digital badges are an assessment and credentialing mechanism that is stored and managed online. Badges are designed to make visible and certify learning in both formal and informal settings, and hold the potential to help transform where and how learning is valued. They can be used in many ways including: college applications, job applications, LinkedIn accounts, club/organization applications, etc. C² Pipeline issues digital badges to those students who complete the requirements listed for the career pathway(s) in which they participate!

# WSU C<sup>2</sup> PIPELINE NEWSLETTER
