June 1st, 2016

The WSU C2 Pipeline Warriors College Experience is inclusive of all meals, housing and program activities at a cost of \$750.00. Students who register and are accepted by **April 1st, 2016** may receive a **discounted rate** of \$500.00. Accepted students attending a C2 Pipeline center will receive full scholarships and attend the program at no cost. Additional scholarships to attend the program are available on a first come, first serve basis.

C2 Pipeline

The College and Career Ready (C2) Pipeline program is funded through a Michigan Department of Education 21st CCLC grant and incorporates science, technology, engineering, and math (STEM) in a hands-on learning environment that emphasizes health careers and enhances students' secondary educational experience. C2 Pipeline supporting partners include:

- WSU College of Nursing,
- WSU Eugene Applebaum College of Pharmacy and Health Sciences
- WSU School of Medicine
- WSU College of Engineering
- WSU School of Social Work
- WSU Irvin D. Reid Honors College
- WSU Academic Success Center
- WSU School of Business Administration

WSU College & Career (C2) Pipeline Warriors College Experience

A One-of-a-Kind
Pre-College Experience

July 10th—July 21st

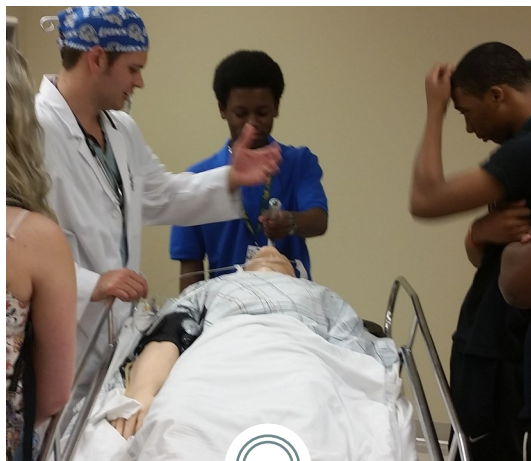

Program Details

Participants of this busy 12 day experience will get a sense of what college life is like. They will live and eat in dorms, attend classes taught by Wayne State University faculty and staff—the same people who teach college students. Each day is filled from morning to night with organized programs.

Mornings are reserved to prepare students for time and stress management, conflict resolution and improved study skills. These skills can be immediately applied in high school, but especially when entering college. In the afternoon, students attend classes which have been modified specifically for this program by Wayne State professors in the areas of nursing, medicine, social work, engineering and pharmacy and health sciences. Students will have the opportunity to rank each specialty area according to their interest on the application.

In the evenings, students meet with their assigned inter-professional education team (IPE). IPE teams are made up from one student attending classes in each of the specialty areas. Each team will receive a challenge, requiring several days of intensive planning and preparation. At the end of the program, teams will present their work and compete for scholarship money to attend Wayne State University.

There are community service projects, organized recreational activities and a Gala at the end of the program. There is never a dull moment from the time the students move into their dorm rooms to the time they get picked up from the Gala. Along the way, they meet new friends, have a better understanding of college life and maybe decide upon a new career.

WSU C2 Pipeline Warriors College Experience

Are you ready for college? Have thoughts of a profession in Health Care or Engineering? Want to be challenged, meet new people and have fun? If you answered yes to any of these, then the **WSU C² Pipeline Warriors College Experience is for you.**

Requirements:

- Have completed your Junior Year
- Have an interest in attending college
- Have an interest in exploring a health or STEM career
- Be ready for a Challenge!

Search “C2 Pipeline Warriors College Experience—Wayne State University” on YouTube for a program video!

Wayne State University Admissions

Students entering their senior year in the fall will have the opportunity to meet with the Wayne State University Admissions Office. During this time, representatives will speak about the admissions process and university requirements. Students that have submitted their SAT/ACT scores and high school will be able to complete and submit their application right on the spot (with a waived application fee)!!

**Due to the nature of this program, students WILL NOT be permitted to check out to leave program. Parents/family are permitted to visit during designated times only!! More information will be provided at the orientation.

Lodging & Food

Students attending will be staying in the Towers Residential Suites on Wayne States Campus. More information about the Towers can be found here:

<https://housing.wayne.edu/towers.php>

Breakfast, lunch and dinner are included.
